Refereed Publications

1. Ratcliffe MA, Dawson A A and Walker L G (1995). Eysenck Personality Inventory L-scores in patients with Hodgkin's disease and non-Hodgkin's lymphoma. Psycho-Oncology, 4, 39-45.
2. Walker L G and Eremin O (1995). Psychoneuroimmunology: new fad or the fifth therapeutic modality? American Journal of Surgery, 170, 2-4 (Invited Editorial).
3. Walker L G and Eremin O (1996). Psychological assessment and intervention: future prospects for women with breast cancer. Seminars in Surgical Oncology, 12, 76-83.
4. Johnson V C, Walker L G, Whiting P H Heys S D and Eremin O (1996). Can relaxation training and hypnotherapy modify the immune response to acute stress, and is hypnotisability relevant? Contemporary Hypnosis, 13, 100-108.
5. Alexander D A and Walker L G (1996). The perceived impact of police work on police officer's spouses and their families. Stress Medicine, 12, 239-246.
6. Walker L G (1996). Communication skills: when, not if, to teach. European Journal of Cancer, 32A, 1457-1459 (Invited Editorial).
7. Walker L G (1996). Behavioural oncology: psychological aspects of treating and understanding malignant disease. European Journal of Surgical Oncology, 22, 546-550.
8. Walker L G (1996). Psychological and psychiatric aspects of gynaecological cancer. In: D E Lolis (ed.), Obstetrics and Gynaecology. Parazianos, Athens (Chapter 19, pp 377-387).
9. Walker L G, Wesnes K A, Heys S D, Walker MB, Lolley J and Eremin O (1996). The cognitive effects of recombinant interleukin-2 (rIL-2) therapy: a controlled clinical trial using computerised assessments. European Journal of Cancer, 32A, 2275-2283.
10. Wesnes K A, Walker MB, Heys S D, White L, Warren R, Walker L G and Eremin O (1997). What does a weekend 'on call' in a surgical ward do to cognitive performance and mood? British Journal of Surgery, 84, 493-495.
11. Heys S D, Walker L G and Eremin O (1997). The value of peri-operative nutritional support in the sick patient. Proceedings of the Nutrition Society, 56, 443-457.
12. Langlois N, Walker L G, Eremin O and Heys S D (1997). Expression of growth factor receptors are not prognostic indicators in young patients with colorectal cancer. Journal of the Royal College of Surgeons of Edinburgh, 42, 98-101.
13. Fox H, Walker L G, Heys S D, Ah-See A K, and Eremin O (1997). Are patients with mastalgia anxious, and does relaxation therapy help? The Breast, 6, 138-142.
14. Walker L G, Walker MB, Heys, S D, Lolley J, Wesnes K and Eremin O (1997). The psychological and psychiatric effects of rIL-2: a controlled clinical trial. Psycho-Oncology, 6, 290-301.
15. MR Breast Screening Advisory Group (1997). National study of MRI screening for women at genetic risk of breast cancer. The Lancet, July 5th. (Also on <http://www.thelancet.com/lancet/writing/writing4.html>).
16. Twelves CJ, Thomson CS, Young J and Gould A for the Scottish Breast Cancer Focus Group and the Scottish Cancer Therapy Network (1998). Entry into clinical trials in breast cancer: the importance of specialist teams. European Journal of Cancer, 34, 1004-1007.
17. Twelves CJ, Thomson CS, Gould A and Dewar J for the Scottish Breast Cancer Focus Group and the Scottish Cancer Therapy Network (1998). Variation in the survival of women with breast cancer in Scotland. British Journal of Cancer, 78, 566-571.

18. Walker L G (1998). Hypnosis and cancer: host defences, quality of life and survival. Contemporary Hypnosis, 15, 34-39.
19. Walker L G, Köhler C, Heys S D and Eremin O (1998). Psychosocial aspects of cancer in the elderly. European Journal of Surgical Oncology, 24, 375-378.
20. Heys S D, Ogston K, Miller I, Hutcheon A W, Walker L G, Sarkar T K, Dewar J, Ah-See A K, and Eremin O (1998). Potentiation of the response to chemotherapy in patients with breast cancer by dietary supplementation with L-arginine: results of a randomised controlled trial. International Journal of Oncology, 12, 221-225.
21. Heys S D, Walker L G and Eremin O (1998). Serum albumin: an independent prognostic indicator in colorectal cancer. Journal of the Royal College of Surgeons of Edinburgh, 43, 163-168.
22. Heys S D, Langlois N, Smith I C, Walker L G and Eremin O (1998). NM23 gene product expression does not predict lymph node metastasis or survival in young patients with colorectal cancer. Oncology Reports, 5, 735-739.
23. Eltahir A, Heys S D, Hutcheon A W, Sarkar T K, Walker L G, Ah-See A K and Eremin O (1998). Treatment of large and locally advanced breast cancers using neoadjuvant chemotherapy. American Journal of Surgery, 175, 127-132.
24. Gruzelier J, Clow A, Evans P, Lazar I and Walker L (1998). Mind-body influences on immunity: lateralised control, stress, individual difference predictors and prophylaxis. Annals of the New York Academy of Science, 851, 487-494.
25. Gilbert F J, Cordiner C M, Affleck I R, Hood D B, Mathieson D and Walker L G (1998). Breast screening: the psychological costs of false positive recall in women with and without a history of breast cancer. European Journal of Cancer, 34, 2010-2014.
26. Heys SD, Ogston KN, Simpson WG, Walker LG, Hutcheon AW, Sarkar TK, and Eremin O (1998). Acute phase proteins in patients with large and locally advanced breast cancer treated with neo-adjuvant chemotherapy: response and survival. International Journal of Oncology, 13, 589-594.
27. Stewart A, Porter R W, Primrose W R, Walker L G and Reid D M (1999). Cervical and trochanteric hip fractures: bone mass and other parameters. Clinical Rheumatology, 18, 201-206.
28. Walker L G, Walker MB, Heys S D, Ogston K, Miller I, Hutcheon A W, Sarkar TK and Eremin O (1999). The psychological, clinical and pathological effects of relaxation training and imagery during primary chemotherapy. British Journal of Cancer, 80, 262-268.
29. Heys S D, Walker L G, Smith I and Eremin O (1999). Enteral nutritional supplementation with key nutrients in patients with critical illness and cancer: a meta-analysis of randomized controlled clinical trials. Annals of Surgery, 229, 467-477. (Special Feature).
30. Walker L G and Anderson J (1999). Testing complementary and alternative medicine within a research protocol. European Journal of Cancer, 35, 1614-1618. (Invited contribution for Special Edition edited by M Slevin and J Mossman).
31. Walker L G, Heys SD, Walker MB, Ogston K, Miller I, Hutcheon A W, Sarkar T K, Ah-See A K and Eremin O (1999). Psychological factors can predict the response to primary chemotherapy in women with locally advanced breast cancer. European Journal of Cancer, 35, 1783-1788.
32. Stewart A, Primrose WR, Walker LG, Reid DM (1999). Risk factors associated with increased falls in a hip fracture population. Gerontology, 45, 233.
33. Walker L G (1999). Psychological interventions, host defences and survival. Advances in Mind-Body Medicine, 15, 236-281. (Invited comment on Greer S 'Mind-Body Research in Psycho Oncology.')
34. Stewart A, Walker L G, Porter R W, Reid D M and Primrose W (1999). Predicting a second hip fracture. Journal of Clinical Densitometry, 2, 363-370.
35. Walker L G, Heys S D and Eremin O (1999). Surviving cancer: does the fighting spirit help? Journal of Psychosomatic Research. 47, 497-503. (Invited Editorial.)
36. Klein S, Kitchener H C, Tracy D and Walker LG (2000). The effects of cancer patient participation in teaching communication skills to medical undergraduates: a follow-up evaluation. European Journal of Cancer, 36, 273-81.
37. Brown J, Coulthard A, Dixon AK, Dixon JM, Easton DF, Eeles RA, Evans DG, Gilbert FG, Hayes C, Jenkins JP, Leach MO, Moss SM, Padhani AP, Pointon LJ, Ponder BA, Sloane JP, Turnbull LW, Walker LG, Warren RM, Watson W (2000). Rationale for magnetic resonance imaging screening in women at high genetic risk of breast cancer. The Breast 9, 72-77.
38. Brown J, Coulthard A, Dixon AK, Dixon JM, Easton DF, Eeles RA, Evans DG, Gilbert FG, Hayes C, Jenkins JP, Leach MO, Moss SM, Padhani AP, Pointon LJ, Ponder BA, Sloane JP, Turnbull LW, Walker LG, Warren RM, Watson W (2000). Protocol for magnetic resonance imaging screening in women at high genetic risk of breast cancer. The Breast, 9 78-82.
39. Warren R, Hayes C and the Advisory Group of the UK study of screening for breast cancer (MARIBS) (2000). Localisation of breast

lesions shown only on MRI - a review of the UK study of MRI screening for breast cancer. British Journal of Radiology, 73, 123-132.

78. Thomas R, Williams M, Marshall C, Allerton R and Walker L (2008). Switching to letrozole or exemestane improves hot flushes, mood and quality of life in tamoxifen intolerant women. [British Journal of Cancer](#), 98, 1494-1499.
79. Sharma A, Greenman J, Sharp D M, Walker L G, Monson J R T (2008). Vascular endothelial growth factor and psychosocial factors in colorectal cancer. [Psycho-Oncology](#) 17, 66-73.
80. Eremin O, Walker M B, Simpson E, Heys S D, Ah-See A K, Hutcheon A W, Ogston K N, Sarkar T K, Segar A, and Walker L G (2009). Immuno-modulatory effects of relaxation training and guided imagery in women with locally advanced breast carcinoma undergoing multimodality treatment: A randomised controlled trial. [The Breast](#), 18, 17-25.

Conference Abstracts

1. Klein S, Kitchener H and Walker L G (1995). Does cancer patient participation in a communication skills programme enhance the performance of medical undergraduates? British Gynaecological Cancer Society Abstracts.
2. Gilbert F J, Cordiner C M, Affleck I R, Deans H, Hood D B, Mathieson D, Ah-See A K, Eremin O and Walker L G (1995). How anxiogenic is recall following breast screening, and does a family history of breast cancer make a difference? Psycho-Oncology, 4, 88.
3. Stewart A, Primrose W R, Porter R W, Walker L G and Reid D M (1995). Do fallers have reduced bone mass? Bone, 16 (1), Suppl, 1195.
4. Walker L G, Ratcliffe M A and Dawson A A (1995). Does personality affect survival in lymphoma patients? Psycho-Oncology, 4, 98.
5. Klein S, Kitchener H C and Walker L G (1995). Does cancer patient participation in communication skills training enhance the performance of medical undergraduates? Psycho-Oncology, 4, 90.
6. Deehan D J, Heys S D, Walker L G and Eremin O (1995). Serum albumin: an independent prognostic indicator for survival in patients with colorectal cancer. British Journal of Surgery, 82, 961.
7. Millar L L, Peterson K A, Walker L G, Whiting P W, Gough D B, Friend J A R and Eremin O (1995). Does emotional suppression and depressed mood predict immunosuppression in patients with lung disease? European Journal of Surgical Oncology, 21, 698.
8. Wesnes K A, Walker M B, Heys S D, White L, Warren R, Walker L G and Eremin O (1996). What does a weekend 'on call' in a surgical ward do to cognitive performance and mood? British Journal of Surgery, 83, (Suppl. 1), 37.
9. Walker L G, Miller I, Walker M B, Simpson E, Ogston K, Segar A, Heys S D, Ah-See A K, Hutcheon A W, Sarkar T K and Eremin O (1996). Immunological effects of relaxation training and guided imagery in women with locally advanced breast cancer. Psycho-Oncology, 5(3) (suppl), 16.
10. Walker L G, Walker M B, Simpson E, Ogston K, Segar A, Heys S D, Ah-See A K, Hutcheon A W, Sarkar T K and Eremin O (1996). Relaxation training and imagery enhance quality of life during chemotherapy for breast cancer. Psycho-Oncology, 5(3) (suppl), 36.
11. Walker L G, Millar L L, Peterson K A, Friend J A R, Gough D B, Whiting P W and Eremin O (1996). Psychological factors predict immunosuppression in patients with lung cancer and benign lung disease. Psycho-Oncology, 5 (3) (suppl), 69.
12. Walker L G, Walker M B, Simpson E, Fielden S, Ogston K, Segar A, Heys S D, Ah-See A K, Hutcheon A W, Sarkar T K and Eremin O (1996). Do psychological factors predict clinical and pathological response to chemotherapy? Psycho-Oncology 5(3) (suppl), 69.
13. Walker L G, Walker M B, Simpson E, Ogston K, Segar A, Heys S D, Ah-See A K, Hutcheon A W, Sarkar T K and Eremin O (1996). Relaxation training and imagery enhance quality of life during chemotherapy for breast cancer. British Journal of Surgery, 83, 1647.
14. Walker L G, Walker M B, Simpson E, Ogston K, Segar A, Heys S D, Ah-See A K, Hutcheon A W, Sarkar T K and Eremin O (1996). The effects of relaxation training and visualisation on quality of life during chemotherapy for breast cancer: a controlled trial. Proceedings, Eighth Overseas Meeting, Royal College of Surgeons of Edinburgh and the College of Surgeons of Hong Kong, Hong Kong, p 123.
15. Eremin O, Walker L G, Walker M B, Simpson E, Fielden S, Ogston K, Segar A, Heys S D, Ah-See A K, Hutcheon A W, Sarkar T K and Eremin O (1996). A controlled clinical trial of the effects of relaxation training and guided imagery in women with locally advanced breast cancer. Proceedings, Eighth Overseas Meeting, Royal College of Surgeons of Edinburgh and the College of Surgeons of Hong Kong, Hong Kong, p 123.
16. Walker L G, Peterson K, Millar L L, Friend J A R, Gough D B, Whiting P H and Eremin O (1996). Psychological factors and immunosuppression in patients with lung cancer and benign lung disease. Proceedings, Eighth Overseas Meeting, Royal College of Surgeons of Edinburgh and the College of Surgeons of Hong Kong, Hong Kong, p 174.
17. Heys S D, Walker L G and Eremin O (1996). The value of nutritional support in the peri-operative period: an analysis of randomised controlled trials. Proceedings, Eighth Overseas Meeting, Royal College of Surgeons of Edinburgh and the College of Surgeons of Hong Kong, Hong Kong, p 183.
18. Heys S D, Ogston K, Walker L G and Eremin O (1996). Pre-treatment serum albumin: an independent indicator of survival in patients with locally advanced breast cancer treated with neoadjuvant chemotherapy. Proceedings, Eighth Overseas Meeting, Royal College of Surgeons of Edinburgh and the College of Surgeons of Hong Kong, Hong Kong, p 187.
19. Ogston K, Heys S D, Walker L G and Eremin O, and the Aberdeen and Dundee Breast Group (1996). Controlled trial of l-arginine and chemotherapy versus chemotherapy alone in patients with large or locally advanced breast cancers. British Journal of Surgery, 83, 149.

20. Walker L G, de Silva D and Haites N (1996). Psychological effects of individualised breast cancer risk counselling. Psycho-Oncology, 5, 350.
21. Klein S, Kitchener H C, Hutcheon A W and Walker L G (1996). Media coverage of cancer: a pilot study of the much-neglected influence on adjustment to cancer and its treatment. Psycho-Oncology, 5, 355.
22. Lolley J, Eremin O and Walker L G (1996). Multimodal therapy: a novel intervention for patients with cancer. Psycho-Oncology, 5, 356.
23. Millar L L, Peterson K A, Friend J A R, Gough D B, Walker L G, Whiting P W and Eremin O (1996). Do psychological factors predict immunosuppression in patients with lung cancer and benign lung disease? Psycho-Oncology, 5, 356.
24. Walker L G (1996). Psychoneuroimmunotherapy: a flash in the pan? Psycho-Oncology, 5, 360.
25. Walker L G, Wesnes, K A, Walker M B, Heys S D, White L, Warren R and Eremin O (1996). What does a weekend 'on call' in a surgical unit do to cognitive performance and mood? Psycho-Oncology, 5, 360.
